APPLY NOW FOR A GREAT LEADERSHIP EXPERIENCE
Open to Graduate and Undergraduate Students Enrolled at FSU

You will be “Chancellor for a Day” and participate in all of the activities and meetings scheduled for Chancellor James A. Anderson. The main goals of the program are to: 1.) give students an opportunity to be a part of the administrative process; 2.) emphasize the role of the student in the university; 3.) give students experience in the decision making process; and 4.) enable students to gain some understanding of the leadership skills required for managing a multifaceted organization and the synergy required for operating as a whole.

Students interested in being selected must submit a completed Chancellor for a Day Application Form. The link to this form can be found on the Chancellor’s homepage under the topic “Chancellor for a Day”.

Applications will initially be reviewed for the Chancellor by the Selection Committee, which is comprised of students, faculty, staff, and representatives from the Student Government Association and the Chancellor’s Office.

E-mail all applications to bmiller@uncfsu.edu. Notification of acceptance will be sent from the Chancellor’s Office.

“My main goal in life was to be a juvenile lawyer to help young people make the right decisions, but after being Chancellor for a Day, I realized I could better serve young people in higher education administration. I have completed my master’s degree, and will enroll in the doctoral program in Educational Leadership.”
